Driver Killed in School Bus Accident Today

A. H. S. To Play First Football Game Fri. Nite

The Appomattox High School Blue Hornet football team will open its 1958 gridiron season here Friday night, at 8:00 o'clock, when they meet Amherst County High School, in a District 4, Group 2 game.

This year's game should be much closer than last year's game, since Amherst has now had football for three years at their school, and has quite a number of boys returning from their 1957 team.

Coach Gordon Bragg nas had the A. H. S. team going through quite a heavy practice schedule, in order to get ready for this opening game. This year's team will be co-captained by Freddie Mitchell and Joey George. The boys who will dress for the opening game are:

Ends: Cecil Doss, Toots Carter, Bobby Conner, Brod Pack, Bill Caldwell and Gerald Price;

Tackles: Randy Almond, Joey George, Dickie Chandler, Robert Burge, Donald Baldwin, Jimmy Mayberry, Gerald Leffers;

Guards: James Doss, Dennis Drinkard, Charles Crawley, Brian Thomas, Percy Lucado, Douglas Maxwell, Bently Martin, Samuel Inge;

Centers: Sandy Burks, Freddie Wingfield, Donald Tomlin;

Backs: Freddie Mitchell, L. N. Garrette, Dickie Guill, Robert Garrette, Dan Coleman, Johnny Canada, Dwight Green, Leon Edmunds, Cecil Wooldridge, Bobby Hendrick, Raymond Ferguson, Carrol Ferguson, Buddy Day.

Football Games To Cost $1.00

Due to the increase in the number of boys to outfit for this year football teams, the price of admission will be $1.00 for adults and still 50 cents for the students. The reasons for this increase are: the rent for the park is $35.00 per night, plus $55.00 per night for officials, and the price of athletic equipment has gone up at least 20% the past year. It now takes around $200 per boy to be outfitted, and we are outfitting 66 boys this football season. The only source of money is the money taken in at the gates to support our athletic teams I hope you will continue to support our teams and I promise we will give you a dollar's worth of good football each game played, here and away.

Thanks,
Coach Gordon Bragg,
Appomattox High School

Local Legion Having Membership Drive

The Appomattox American Legion Post 104, under the leadership of Clifford E. Harvey, Vice-Commander and Membership Chairman, is carrying out a membership drive. All members presently in good standing are urged to keep their membership continuous, all old members are urged to rejoin, and all prospective members, veterans serving in the U. S. Armed Services Honorably between the following dates are eligible: April 6, 1917 to November 11, 1918; December 7, 1941, to September 2, 1945; June 25, 1950 to July 27, 1953, are urged to join, and participate in aiding in veteran rehabilitation and building a better community.

Appreciation is extended for the cooperation of the citizens of Appomattox County in supporting a Post-sponsored magazine salesman. The proceeds enabled the Post to provide a wheel chair to John E. Bell, Jr., and make another available for others who may need it.

American Legion, Department of Virginia Committees having committee members serving from Post 104 are: Oratorical Committee, member for Fourth District of Virginia, Charles T. Moses, Jr.; Constitution and By-Laws Committee, member for Fourth District of Virginia, Frank M. McCann.

At Road Meeting Wednesday

Appomattox was represented in Roanoke yesterday at a meeting of those seeking a location of the new Federal interstate east-west highway through the general area of Route 460.

Mayor Moses Says Work Starts in Two Weeks On State Highway Road Widening Job Here

To the Citizens of
The Town of Appomattox:

You fine people are to be congratulated again for the fine efforts that you have displayed toward both our "Safety" and "Clean-up" campaigns.

It is most important that everyone drive more carefully than ever now that our schools are in session and that we all cooperate to observe 100% and observe the speed regulations, through the school zones. The most cherished possession we have is our beloved children, so lets all do everything we can to add to their safety and protection.

It seems that during the age in which we are living that maybe we are taking so many things for granted that at times we hardly realize how fortunate we are. I feel that our "Good Land" has blessed us with a wonderful staff of school teachers, it is our responsibility as citizens and parents to help our school officials, principal, and teachers in every way we can and to express our appreciation to them for the excellent job they have done in the past and for the fine job which they are doing now. Let's all bear this in mind.

The Town Council held a special meeting Monday, Sept. 8, to consider a proposal by the State Highway Department for widening Route 460. This proposal has been under discussion for the past twelve months. I certainly feel that the Town Council used very wise judgment in accepting this proposal and signing a contract for same. The contract calls for an expansion in Route 460 from in front of Carver High School east to the intersection of Church Street and also the installation of a storm sewer on the south side of Route 460 running from Carver School east on 460 approximately to the town line approximately $5,575, and which will be paid as follows: one fifth upon completion of the project and the balance prorated over the next four years in four equal payments. When this project is completed it is my firm belief that it will be a great asset to the Town. Work is supposed to start within the next two weeks.

Remember, our children's lives are in our hands, so let's all take every safety precaution we can while driving.

Your counsel and advice on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.
Mayor, Town of Appomattox.

MEETING DATE FOR U. D. C.

The Appomattox Chapter of the United Daughters of the Confederacy will meet Tuesday evening, Sept. 18, at 7:30 o'clock, at the home of Mrs. T. M. Goldsby. Mrs. Goldsby and Mrs. James H. Hancock will be co-hostesses. The program for September is The History of the United Daughters of the Confederacy. Anyone wishing transportation, please contact Mrs. Jerry A. Burke, Chapter President, Phone 3681.

Tuesday, Sept. 16.- Appomattox Club will meet at 10:00 A. M. with Mrs. J. E. Jamerson.

Wednesday, Sept. 17.- Wreck Island Club will meet at 2 P. M. with Mrs. V. A. Staten.

WILD RIDE

Chimney Rock, N. C.- The auto swerved out of control off U. S. 74, plunged down a 100-foot embankment, overturned twice, and plopped upright in a shallow section of the rocky Broad River.

Investigating officers found the lone occupant, 56-year-old Bramlett Alvin Ballard, sitting upright behind the wheel in neckbigh water. Injuries: a bruised forehead.

FARMERS VOTE IN LEAF REFERENDUM

All Appomattox County farmers who shared in a 1957 crop allotment will meet Tuesday evening, Sept. 18, at 7:30 o'clock, at the home of Mrs. T. M. Goldsby. Mrs. Goldsby and Mrs. James H. Hancock will be co-hostesses. The program for September is The History of the United Daughters of the Confederacy. Anyone wishing transportation, please contact Mrs. Jerry A. Burke, Chapter President, Phone 3681.

That explanation of eligibility was offered by Floyd Fleshman, ASC County Chairman, whose committee is charged with the conduct of the referendum.

He reminded farmers that the purpose of the referendum is to determine whether fire-cured and sun-cured tobacco farmers want to abolish dual allotments in favor of a single allotment , either fire-cured or sun-cured, in cases where one farm has allotments for both kinds. If this plan is endorsed by at least two-thirds of the growers voting, it will go into effect immediately for the 1958 crop. Also, allotments for future years will continue to be for the kind of tobacco allotment each farmer chooses for 1958.

Mr. Fleshman named the following voting places in Appomattox County:

Stonewall District
Herndon's Store, 8:00 A. M. until 1:00 P. M. Martin's Store, Oakville, 1:00 P. M. until 7:00 P. M.

Clover Hill District
Old Court House, 8:00 A. M. until 1:00 P. M. Store at Hisburg, 1:00 P. M. until 7:00 P. M.

Southside District
Chap Voting Precinct, 8:00 A. M. until 1:00 P. M. ASC Office at Appomattox, 1:00 P. M. until 7:00 P. M.

Confidence in U. S. business lifts London stocks.

In the first death in a school bus accident in the history of Appomattox County, Norman Turner, 65, Negro, of Spout Spring, died instantly at 8:30 this morning, when his bus, loaded with twenty school children, was in a smash-up with a dump truck. The tragedy occured at the intersection of U. S. 460 with State Road 648, just west of Wheeler's Service Station at Spout Spring.

Fortunately, the school bus did not overturn. Only injury reported to one of the children, was a minor leg injury to 7-year-old Maxine Lewis, daughter of Nannie Bell Lewis. The child was treated at the scene by a local physician.

Driver of the truck was Bernard Chilton, Jr., 21, Negro, of Madison Heights. He was driving a truck for T. W. Pettyjohn, of Monroe. The truck was empty.

The tragedy was being investigated by Lt. C. W. Carr, Trooper R. A. Reynolds, Sgt. Jack Cough and Sgt. L. L. Stanley, of State Police from Appomattox Division.

It was reported that Tommie Ray Burnette was approaching the scene in an opposite direction, and was the first to arrive after the crash.

School Division Superintendent J. A. Burke was one of the first to arrive. He recalled that there has been three previous school bus accidents at the same location, but that there were no deaths.

Mr. Burke said that Turner was known as a good driver, and had driven a school bus 7 years or more.

Mr. Burke said that Turner was licensed to operate a bus and the truck were heading west on Route 460, and as the bus turned to enter State Road 648 to deliver pupils to the Spout Spout Negro Elemntary School, the dump truck crashed into it, hitting opposite the driver's seat.

ABBITT SPEAKS OUT FOR FED. ECONOMY

South Hill, Va., Sept. 7.- Representative Watkins M. Abbitt (D-Va.), speaking to the World War I Veterans of the U. S. A., Inc., declared here today that "the quickest way to destroy freedom in this country is by undermining our economy. Our economy can very easily be destroyed by continually spreading this our resources and by taxing so heavily that it destroys all incentive for growth and initiative. We must realize that doles and gifts weaken the recipients instead of making them strong."

Abbitt said that "the main hope of stopping inflation and preventing bankruptcy of the Federal Government is an aroused public demanding not only economy in government but a return to sound, fundamental, governmental principles principles upon which this government was founded."

The Fourth District Congressman pointed out that there is a large segment of people in this country who are determined to mold our government into a "strong, centralized, socialistic, welfare nation. They have made much headway in that direction. I do not know of any efforts being made by people high in the administration to try to halt socialistic trends in the Federal Government."

"There is no real desire on the part of the Federal bureaucrats to reduce expenditures," the Congressman said. "Whether or not we are successful in curbing Federal expenditures and achieving economy in government will depend to a large extent upon the demands of the people back home."

Abbitt pointed out that it is vital to our very existence as a nation of free people that "we maintain and preserve our national solvency. If this is to be done, we must halt all further expansion of the Federal, octopus-like bureaucracy into new fields of activities and we must bring efficiency as well as economy into our national government."

CHEOPS GETS LIT

Cairo.- They've installed neon lights inside Cheops. This is the largest of the pyramids and the one tourists enter to view the burial chambers of ancient Egyptian royalty. Heretofore, visitors had to grope by candlelight behind their guides. Candles are still used in the surviving temples.
